PROSPECTUS

INDIAN MEDICAL INSTITUTE OF NURSING

Be part of India's leading Nursing Education Institute

Message

Honourable President Sh. Manav Jain

It is my proud privilege to welcome you all who are entering the portals of this Institute. I know you are joining the college with great aspiration & high ambitions you all feel that college education is a stepping stone to greater success and better career. The aim of our college, dear students, is to provide you with those facilities which are essential for the development of a harmonious personality and a well interested view of life. Unfortunately manpower development in the field of para medical services often receives scant attention. Even if a facility exists there is a wide gap between imparted training and present day technology. Technical training or education is a continuous process and should not stop after basic training especially in an era when technology is changing so fast. Unfortunately there is an acute shortage for such refresher courses or special training centres. The problem is evident. The solution lies in your hands. Our effort is that of a mason to train you with the aim of building you into a technically sound, honest worker, conscious and solid pillar for future.

With Best Wishes,
President

About Us

Bharat Para Medical Sciences Educational & Development Welfare Society (India) was established in 1993/94. The aim of the Society is to impart Education in various fields for the overall better development of the individuals. The Society is governing Indian Medical Institute of Nursing and offers Diploma in General Nursing and Midwifery (GNM) and Auxiliary Nurse Midwifery (A.N.M./M.P.H.W.). Both the courses are affiliated and recognised by Indian Nursing Council, New Delhi and Punjab Nurses Registration Council, Chandigarh. The college is situated in Jalandhar (Punjab) having area of three acres of land with playgrounds, lushgreen gardens, pollution free homely environment for the better personality development of the students. We proudly announce that the Society has successfully completed 15 yrs. of its services towards student's future education. The society aims to impart training/education to the needy. The training/ education in the form of various medical courses/ Para Medical Courses/ Technical Courses/ Law Courses/Health programmes/Formal education of any standard. The promotion of health and family welfare programmes. To provide facilities for para-medical training including medical technology, Pharmacy, Ayurvedic, Homeopathy, Nursing, Health education and health worker etc. The society will endeavour-

- A) To establish institutions, schools, colleges, training centres, laboratories, research centres and health-clinics to impart education for the purpose referred above.
- B) To organise camps for various family programmes to provide various health services and medical checkup for various sections of the society.
- C) To establish MCH and immunisation projects and postpartum centres.
- D) To conduct intelligence/ pre admission tests, to grant scholarships and stipends to the deserving candidates.
- E) To print, publish and distribute literatures, books, magazines and newspapers to propagate the purpose for which the society stands for.
- F) To organise seminars, to discuss health problems and to arrange educational workshops and exhibitions.
- G) To work for betterment of medical profession and to promote the interest of individuals involved in medical services and education.
- H) To establish holiday camps for the students.
- I) To develop and arrange nutrition programmes for students.
- J) To establish vocational training programmes for the unemployed.

Courses Likely To Be Added In Future

- 1) B.Sc. Nursing (Basic)
- 2) B.Sc. Nursing (Post Basic)
